

Project: Four Seasons Hotel
Customer: Four Seasons

Location: Macau, China
Completion: November 2018

Scope: Illuminating under light, the transparent pool cover at the Four Seasons Hotel in Macau, China gives an effect of walking on water. Using acrylic platforms and SC90 Support Legs, Sightline Commercial Solutions built the specialized cover to fit the pool space perfectly. The pool cover is used to create a seamless floor to the surrounding walking space in order to maximize the hotel's event space. With the custom pool cover, the Four Seasons can create an illustrious atmosphere for car shows, fashion shows, weddings, and many other events.

Clear acrylic platforms custom designed to fit the unique pool geometry provide an expanded entertainment space.

Sightline Pool Covers provide a unique ambiance with the structural integrity to support vehicles and patrons for live events.

We elevate places where experiences happen by providing innovative engineering, fabrication, and installation solutions to the most complex challenges. Discover our unconventional approach.
