

# Vertical Platform Cart

## Transport & Storage

The Vertical Platform Cart transports up to 10 platforms on edge for easy navigation through doorways and other tight spaces. These carts have removable ends and can also be ordered for a 6-, or 8-platform capacity.

### Technical Specifications

- Carts serve as both storage and transportation units.
- Multiple sizes available to suit your various application needs.
- Constructed with heavy gauge structural steel tubing with black powder coat finish.
- Two 8" (203 mm) diameter rigid and two 8" (203 mm) diameter swivel casters for ultimate maneuverability.
- Forklift guides optional

### Weights and Dimensions

	Empty Weight*	Size with 4'x8' platforms
