

Camping World Stadium

Football Stadium

Project: Camping World Stadium
Architect: HNTB
Completion: December 2014

Location: Orlando, FL
Contractor: Turner Construction

Scope:

With a construction period of just under 10 months, Sightline Commercial Solutions provided over 36,000 linear feet of ornamental railing including glass, aluminum picket railing, aluminum multi-line, drink rail, steel and stainless steel cable. Perimeter fencing was also provided surrounding the stadium.

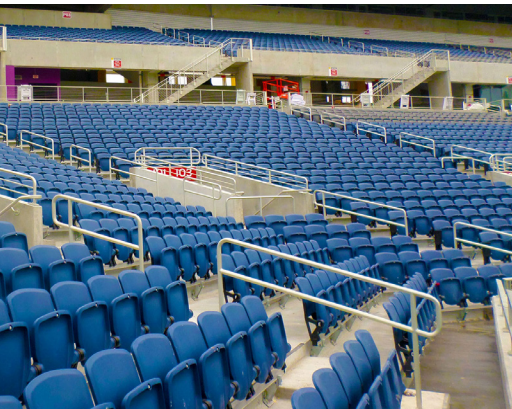

Exterior perimeter fencing and entrance gates.

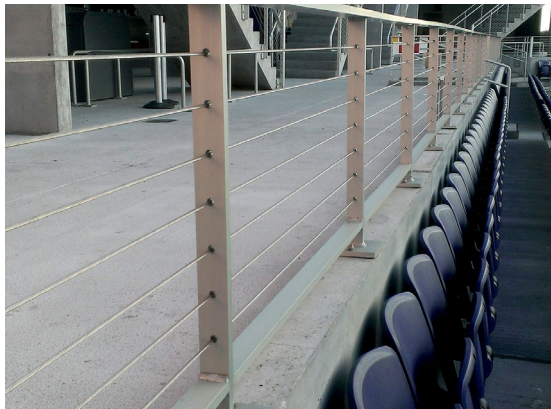

Stainless steel cable railing at ADA seating areas.

Aluminum multi-line at seating entrances.

Aluminum aisle railing throughout stadium.

Stainless steel cable railing.

Aluminum multi-line balcony railing.
