

# SC90<sup>®</sup> Platform

## Portable Platform

The SC90<sup>®</sup> Platform is the cornerstone of Sightline Commercial Solutions' portable equipment line. This single-sided, portable platform is well-known throughout multiple markets for its strength, versatility, and durability. SC90<sup>®</sup> platforms are constructed of structural 1, grade 1 plywood and are intended for interior use or temporary use outdoors protected from rainfall and direct sunlight. The semi-permanent platform features an aluminum extruded frame and with the plywood's aluminum backer, provides a Class A fire rating. It is recommended to store these platforms in an indoor temperature-controlled environment when not in use to prolong the use of the platforms.

### Dimensions, Weights, and Surface Options

	4' x 8' (1.22m x 2.44m)	4' x 6' (1.22m x 1.83m)	4' x 4' (1.22m x 1.22m)	3' x 8' (0.92m x 2.44m)	3' x 6' (0.92m x 1.83m)	2' x 8' (0.61m x 2.44m)	3.28' x 6.56' (1m x 2m)
HDPE Surface (black or gray)	141 lbs 64 kg	110 lbs 49.9 kg	78 lbs 35.4 kg	111 lbs 35.4 kg	86 lbs 39 kg	83 lbs 37.6 kg	99 lbs 44.9 kg
Carpet Surface (black)	141 lbs 64 kg	110 lbs 49.9 kg	78 lbs 35.4 kg	111 lbs 35.4 kg	86 lbs 39 kg	83 lbs 37.6 kg	99 lbs 44.9 kg
Unfinished Plywood Surface	141 lbs 64 kg	110 lbs 49.9 kg	78 lbs 35.4 kg	111 lbs 35.4 kg	86 lbs 39 kg	83 lbs 37.6 kg	99 lbs 44.9 kg
Painted Plywood Surface	141 lbs 64 kg	110 lbs 49.9 kg	78 lbs 35.4 kg	111 lbs 35.4 kg	86 lbs 39 kg	83 lbs 37.6 kg	99 lbs 44.9 kg
Plyron Surface	158 lbs 71.7 kg	122 lbs 55.3 kg	86 lbs 349 kg	125 lbs 56.7 kg	97 lbs 44 kg	93 lbs 42.2 kg	112 lbs 50.8 kg
Hardwood	161 lbs 73 kg	125 lbs 56.7 kg	88 lbs 39.9 kg	126 lbs 57.2 kg	97 lbs 44 kg	93 lbs 42.2 kg	112 lbs 50.8 kg

### Tech Specifications

- Edging:** 4" (101.6 mm) high, extruded 6005A-T61 aluminum frame, including protective edge, mill finish. Built-in Roto-Lock system.
- Subfloor:** 1" (25.4 mm) exterior rated, group 1 plywood.
  - Finished surface: HDPE (black or gray), commercial grade carpet (black), unfinished plywood, painted plywood (black), Plyron (tempered hardboard), acrylic (clear or opaque)
  - Tongue and groove hardwood surface available upon request (specify wood species)
- Loading:** Platform will support 150 lbs/square foot of uniformly distributed live load.
- Usage:** Singled-sided platform is intended for interior use and temporary use outdoors protected from rainfall and direct sunlight.
- Support & Accessories:** For use with all of Sightline Commercial Solutions supports.
  - Guardrails · Closure panels · Step units
  - Structural locking clip system · Chair stops · Skirting clips
