Equinox™

Glass & Post Railing System

SIGHTLINE
COMMERCIAL SOLUTIONS

The defined, clean lines of the Equinox™ railing system amplify the best features of glass railing with an innovative rod-and-disc assembly that features zero visible fasteners. Featuring the strength and sleek, modern aesthetic of premium stainless steel, the Equinox™ system offers customizable post, top rail and handrail options to create even more distinct design possibilities for contemporary spaces that are truly one-of-a-kind.
