

Coastal Transit Authority

Pedestrian Bridge

Project: Coastal Transit Authority

Architect: Eley Guild Hardy Architects (EGH)

Completion: December 2023

Location: Gulfport, MS

Contractor: Malouf Construction

Scope:

Sightline Commercial Solutions partnered with architect firm Eley Guild Hardy Architects (EGH) to play a pivotal role in enhancing connectivity and safety with the completion of the Coastal Transit Authority Pedestrian Bridge. Equipped with dedicated lanes for buses, cyclists, and pedestrians, it promotes multimodal transportation options and encourages environmentally friendly commuting. The 1,100 foot tramway bridge connects the Jones Park with the Mississippi Aquarium and the Coast Transit Authority parking garage. The bridge will allow pedestrians a safe path across the busy highway for events and attractions located at the park. By linking communities and improving access to essential services, the Coastal Transit Authority Bridge plays a crucial role in enhancing the quality of life for residents and visitors alike.

We elevate places where experiences happen by providing innovative engineering, fabrication, and installation solutions to the most complex challenges. Discover our unconventional approach.
