

SC100 Support Cart

Transport & Storage

The SC100 Storage Cart store SC100 frames on either a single hanger (pictured) or double hanger cart. Made of welded steel tubes, provide easy storage and mobility for the SC100 Folding Bridge Frames and top plates store within built-in boxes for compact and efficient storage.

Technical Specifications

- Carts serve as both storage and transportation units.
- Constructed with heavy gauge structural steel tubing with black powder coat finish.
- Two 8" (203 mm) diameter rigid and two 8" (203 mm) diameter swivel casters for ultimate maneuverability.
- Forklift guides optional.
- Additional sizes & configurations available to suit your various application needs.
